 III. Current program activities as supported by the funding in Columns 6-15 (FY 15 Estimated & FY 16 Increase/Decrease

(D) CORE OPERATIONS:

The State Court Education Program (SCEP) requests a priority increase in the equipment/vehicle category. Our current computers and data projectors must be replaced on an as needed basis. The average age for our current inventory is three (3) years. We will also be replacing one of our vehicles due to its age, mileage, and maintenance costs associated with an older vehicle.

Another area SCEP requests an increase is in the contractual services category. MJC is mandated to provide additional training hours for newly elected justice court judges every four years. This is a two-week training session in December. The majority of the constituent program costs are incurred in the contractual services category. This category is a top priority due to the increase in hotel costs, mileage expenses, meals, etc.

SCEP also requests an increase in the travel category. Our staff travel expenses have increased due to the increase in lodging expenses and meals.

NARRATIVE
2016 BUDGET REQUEST

UM - STATE COURT EDUCATION PROGRAM

Name of Agency

In 1981, the Mississippi Legislature created the State Court Education Fund in Section 37-26-9 of the Mississippi Code. This fund was created to support the Mississippi Judicial College, which provides: training and education for the courts of Mississippi and related court personnel; technical assistance to the courts of Mississippi; and information to the legislature on the needs of Mississippi courts. Our funds are appropriated to the Institutions of Higher Learning with a line item directed for the State Court Education Program.

Mississippi statutes and court rules mandate that the Mississippi Judicial College (MJC) train and education all personnel of the state court system. This includes over 2,800 judges, court clerks, court administrators, and court reporters. MJC also publishes handbooks and manuals for various court personnel groups. MJC publishes a Legal Terminology book. This reference guide was designed to assist non-lawyer court personnel and judges. This responsibility of training and educating is enormous and continuously growing. As the law inevitably changes, MJC's task is to effectively and efficiently educate our constituents on those changes.

In addition to performing its statutory educational function, MJC focuses on providing enhanced educational projects and special training seminars. The end result of our special training projects is a better trained and more efficient judicial system. In the upcoming year we plan to conduct special projects dealing with implementing improved youth court strategies, fine and cost collection in state courts, and computer innovation with respect to public information. The foregoing information is a prelude to the Mississippi Judicial College's requests for a budget increase of \$74,564 for the 2016 fiscal year. Program costs are continually increasing, in part, due to economic conditions. Gas prices continue to rise, and lodging costs are at a premium due to the lack of facilities available to host our large constituency groups. The granting of the requested increase will enable MJC to continue to provide quality mandated educational services at the current level of efficiency and include the various special projects mentioned above. However, funding the requested increase, and in fact, MJC's entire budget request, will be generated from special assessments, and therefore will not require any general fund revenue.

FEES, PROFESSIONAL AND OTHER SERVICES

The Mississippi Judicial College contracts with various hotels around the state to provide the site for the judicial education being provided to all court personnel inclusive of judges, clerks, court administrators, court reporters, etc. The contract includes space for the meetings, group meals, lodging for the participants, break expenses, equipment rental, etc.

In addition to the expenses associated with the training, we reimburse at per diem the expenses incurred by our participants to travel to the meeting sites. The current federal/state reimbursement for mileage is 56 cents per mile; however, we are not always able to reimburse at that rate. Also, we reimburse other expenses such as meals at a rate less than that authorized by the federal and state guidelines. However, with this increase we are hoping to bring our reimbursements more in line with the federal/state rates.
